

FISCAL NOTE

SB 676 - HB 783

February 14, 2007

SUMMARY OF BILL: Requires any expenditure of public funds made by any entity of state government be only to persons or businesses that confirm in writing they do not discriminate against others upon the basis of political or religious beliefs, race, ethnicity, color, or national origin.

ESTIMATED FISCAL IMPACT:

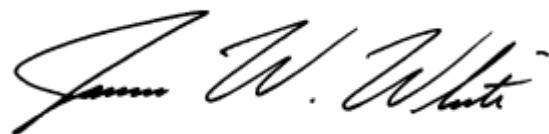

State Expenditures – Net Impact - Not Significant

Assumptions:

- There could be an initial decrease to state expenditures resulting from people or businesses that cannot or will not provide such confirmation in writing. However, it is expected the state would eventually expend those funds anyway with people or businesses that would provide such confirmation in writing. Any related decrease to state expenditures is estimated as not significant.
- An increase to state expenditures is expected for administrative actions related to acquiring and verifying that such confirmations have been provided. However, any related increase to state expenditures is estimated as not significant.
